Family Theater Seating

Unlimited concessions available at the nearest kitchen.

Features & Benefits

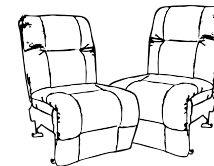

- Gravity operated, multi-position mechanisms for a smooth, controlled reclining motion with inside handle for a stylish look
- Power option allows for a quick, whisper-smooth recline at the touch of a button
- Our patent pending bracketing system prevents the units from being shifted and seperating apart.
- Modular seats allow for endless configurations to fit your style
- The Space Saver® reclining mechanism allows for positioning of recliner at the closest proximity to the wall in the market
- Convenient removable backs for ease in handling
- Durable hardwood frames that are doweled, screwed and glued for long-lasting construction
