

COREY COLLECTION | S715, L715, 7M1_

When it's time for an evening of rest and relaxation, there isn't a better spot to stretch out than our Corey reclining collection. Immense amounts of pillow fibers fill the backs and chaise lounge. With the sewn in channels, the pillow will wrap and support every inch of your body. A firmer arm adds the support you need when scrolling and reading.

Choose from a manual outside reclining handle, or upgrade to power that features a stylish two-button switch that features a USB port. For the ultimate luxury option, bump your power to include Power Tilt Headrest for adjustable head and neck support. With this, you'll get our exclusive Comfort Dial with USB port.
